**Assignment Applications Approved**

On December 19, 2018, the Division of Oil and Gas (Division) received assignment applications for the above leases transferring a 49.00 percent working interest ownership on ADL 393580 and a 25.00 percent working interest ownership on the remaining 24 leases from Armstrong Energy, LLC to Repsol E&P USA Inc.

I hereby approve the applications with an effective date of January 1, 2019. One original copy of this assignment has been placed in the lease case file, and one original copy has been returned to both the assignor and the assignee.

Any party holding an interest in the assigned leases may be required to enter into a financial assurances agreement in the future to ensure dismantlement, removal, and restoration obligations can be met.

As the Division does not record assignments, you may want to record the assignments in the appropriate recording district. Please visit the State Recorder's Office website at <http://dnr.alaska.gov/ssd/recoff/> or call (907) 269-8872 for recording requirements and fees.

Sincerely,

A handwritten signature in black ink, appearing to read "Chantal Walsh".
